

1932-47 Motolamp Head Light

No.	Part No.	Description	Year
1	86567	Motolamp Black body w/chrome bezel 6v	39-47
2	86567-R	Motolamp: Chrome body w/chrome bezel 6v	39-47
<b>Note:</b> 86567 Motolamp wil fit 32-39 models			
<b>Note:</b> Motolamp head lights will also fit 1948-53 models. These were offered as a factory option on 50-53 Chiefs.			
3	86567-SB	Motolamp: Seal beam, black body/chrome bezel, 6v	32-53
4	86567-SBV	Motolamp: Seal beam, black body/chrome bezel, 12v	32-53
5	86567-SC	Motolamp: Seal beam, chrome, 6v	32-53
6	86567S-CV	Motolamp: Seal beam, chrome, 12v	32-53
<b>Note:</b> 86567-SB, 86567-SBV, 86567-SC and 86567-SCV are a Kiwi manufactured headlight that looks the same as the original Motolamps but is designed to be fitted with modern seal beam lighting. This offers far better lighting over the original bulb type Motolamps so you can see and be seen by others. Your life and safety is well worth it.
