

LINKERT CARBURETOR

Linkert Carburetor Parts

The following parts fit Linkert carburetors (which have "L&L Manufacturing" cast on their bronze bodies). Linkert carburetors were originally fitted from 1941 onwards however they are usually found to be retrofitted to earlier models. If parts fit other than

No.	Part No.	Description
1	285002	Linkert carburetor: New reproduction
2	635004	Swivel: Cable attaching, incl 5, 8, 9
3	102432	Bell crank: Throttle shaft, incl 4, 6, 7
4	102432-S	Screw kit: Bellcrank
5	754203	Screw kit: Bellcrank
6	102432-S	Screw kit: Bellcrank
7	102432-S	Screw kit: Bellcrank
8	920003	Flat washer, #8 5pk
9	636004	Cotter pin: Swivel, incl with #2
10	102420	Plug: Body passages (4)
11	102427	Tension spring: Throttle shaft
12	102428	Bushing: Throttle shaft, (2)
13	102459	Needle & knob: High speed
14	102419	Plug: Body idle
15	102464	Spring: Low speed needle lift
16	102629	Seat: Low speed needle lift spring
17	102461	Needle & knob assy: Low speed, incl 18, 19, 20
18	754403	Screw: Low speed needle (#10-32 x 1/4") 5/pk
19	922004	Lock washer: Low speed needle (#10 split) 5/pk
20	102460	Spring: Ball detent (4)
21	102444	Ball: High speed knob tension (3)
22	102462	Lever: Low speed needle lift
23	102463	Pivot bolt: Lift lever
24	604003	Nut: Choke shaft (#8-32) 5/pk
25	922003	Lock washer: Choke shaft (#8 split) 5/pk
26	102440	Cam: Choke shaft
27	655004-G	Gasket: Air cleaner
28	102455	Venturi: 1 1/8" ID (74" STD eng)
28	102456	Venturi: 1 1/8" ID (74" Bonneville, 80" and 84")
29	35B626-R	Gasket: Manifold
30	25B320	Screw: Manifold (3)
31	102429	Butterfly: Throttle
32	102614	Shaft: 1" carb bodies, 30.50/37" (741 model)
32	102426	Shaft: Throttle (Chief/45")
32	102426-R	Shaft: Throttle, performance
<p>Note: 102426-R is a factory racing design created from the original factory print. It's very aero dynamic which increases air flow. Essential even for street use.</p>		
33	922002	Lock washer: Butterfly 6 5/pk
34	754103	Screw: Butterfly 6-32 x 1/4" 5/pk
35	102443	Ratchet: Choke
36	102446	Set screw: Choke ratchet
37	102436	Lever: Choke shaft

Linkert 1 1/4" models, it is noted as such.

We have made a complete listing of all Linkert parts even if they are not available. We have done so you are able to reference and identify each part.

No.	Part No.	Description
37A	102436-K	Lever assembly: Choke, Incl 35, 36, 37
38	102437	Butterfly: Choke
39	102628	Nozzle: STD (74")
39	601002	Nozzle: Bonneville (74" Bonneville, 80 and 84")
40	102447	Float: Hi end composite (impervious to all fuels)
<p>Note: Our 102447 is the best float money can buy and is non reactive to any fuel. This float will NEVER leave you stranded!</p>		
40	100171	Float: Schebler carb
41	102450	Lever: Float
42	102448/9	Screw & nut: Float lever
43	102716	Needle valve & seat: (7/16-27 inlet thread)
43	102716-P	Needle valve & seat: (1/8" NPT inlet thread)
<p>Note: 102716 is used when connecting directly to the fuel line. 102716-P is used when connecting to the original style filter</p>		
43	102716-S	Needle valve & seat: Schebler carb
44	102425	Plug: Bowl top
45	102451	Plug w/pin: Float pivot
46	102423-K	Washer kit: Sealing
47	102423-K	Washer kit: Sealing
48	102423-K	Washer kit: Sealing
48	102423	Washer: Bowl, copper crush
49	102422	Plug:
50	102424	Nut: Bowl
51	102458	Spring: Nozzle
52	102421	Bowl
53	102421-G	Gasket: Bowl
54	28B317	Brace: Carb
55	922008	Lock washer: Carb brace (3/8" split) 10/pk
56	606012	Nut: Carb brace (3/8"-24) 5/pk
57	KI-10201	Rebuild kit: Carb. Incl 11, 12, 29, 40, 43, 47, 51, 53
57	KI10201-P	Pipe thread included same as above
